RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Sir:

This is in response to the Notification of Missing Requirements dated July 24, 2006 in the above-referenced application. As directed in the Notification of Missing Requirements, a copy thereof is enclosed herewith.

It is respectfully submitted that the Notification of Missing Requirements should not have been sent by the PTO. The Notification states that the oath or declaration is "not executed in accordance with either 37 CFR 1.66 or 37 CFR 1.68." Enclosed is a copy of the Declaration and Power of Attorney as filed with the application on December 19, 2005. As shown on page 4 of the Declaration and Power of Attorney, each of the inventors' signatures is listed followed by a date (in European format listing the day/month/year). Thus, the Notification of Missing Requirements was sent in error, and no fee is presently due.

It is noted that 37 CFR §§ 1.66 and 1.68 do not require the date to appear in any particular format. Moreover, the PTO is no longer permitted to check the date of execution (see MPEP 602.05).

Further response to the presently outstanding Notification of Missing Requirements, therefore, is not believed to be necessary.

Applicants believe that additional fees are not required, however, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge Deposit Account No. 04-1105.

Respectfully submitted,

Date: September 15, 2006
